

CCE/LDP Parent Participation

We ask that one parent of every family that is enrolled in CCE participate in **at least one** volunteer or community opportunity each year. Please look through the following list and select the area(s) in which you will participate this year. There is something for everyone!!!

***NOTE:** Any adult who volunteers with children in the parish or at a parish event is required by the archdiocese to complete *Virtus: Protecting God's Children*. *Virtus* is a three-hour class on preventing child sexual abuse, which also includes a background check. *Virtus* is offered throughout the archdiocese. To register and select a class to attend please visit www.virtus.org. All volunteer options with the * require *Virtus* training, but *Virtus* is **highly recommended for ALL parents**.
