

"To sing like this,  
in the company of other souls,  
and to make those consonants  
slip out so easily and in unison,  
and to make those chords so rich  
that they bring tears to your eyes.

This is transcendence.  
This is the power  
that choral singing has  
that other music  
can only dream of."

GARRISON KEILLOR

*“Song is an expression of Love.  
In order to sing together  
it is necessary to pay attention  
to the other.*

*Singing in a choir is  
an education in life and peace.*

*It is walking together.”*

*Pope Benedict XVI*
